Caring for our Patient and Employee Community *Coronavirus (COVID-19) Precautions*

When you come to R.J. Rosenberg/Personal Symmetrics we want you to be confident, knowing that your safety is our top priority. We are taking the appropriate preventative measures to address COVID-19 (Coronavirus), assuring that our protocols meet or exceed the guidelines of the Centers for Disease Control (CDC) and local health authorities and staying current on the situation.

While we have always provided a clean and sanitary environment we know is important to our patients with compromised immune systems, we have intensified our cleaning processes and we are continuously disinfecting all surfaces, including the high touch surfaces.

We are committed to navigating through these difficult circumstances with your safety at the forefront of everything we do. Thank you for being a valued patient, and we look forward to seeing you soon!

If you cannot make your appointment because you feel sick, we ask you to reschedule your appointment.

The Team at R.J. Rosenberg/Personal Symmetrics
